ACCREDITATION

This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification (MOC) Program of the Royal College of Physicians and Surgeons of Canada (RCPSC) and approved by the Canadian Anesthesiologists’ Society. Participants are asked to keep a record of the number of session hours they attend during the conference.

Each hour of attendance at sessions during the Scientific Program is equal to one credit. Your registration receipt is accepted by the RCPSC as proof of attendance.

Note: Physicians are responsible for keeping their personal MOC records and making them available for random auditing by the RCPSC.

Through an agreement between the Royal College of Physicians and Surgeons of Canada and the American Medical Association, physicians may convert Royal College MOC credits to AMA PRA Category 1 Credits™. Information on the process to convert Royal College MOC credit to AMA credit can be found at www.ama-assn.org/go/internationalcme.

European Union physicians who participate in live educational activities held in Canada are allowed to convert Maintenance of Certification (MOC) Section 1 – Accredited Group Learning credits to European Continuing Medical Education Credits (ECMECs).

Live educational activities, occurring in Canada, recognized by the Royal College of Physicians and Surgeons of Canada as Accredited Group Learning Activities (Section 1) are deemed by the European Union of Medical Specialists (UEMS) eligible for ECMEC.

Section 3 credits
All ticketed workshops in 2015 are eligible for Section 3 credits.

Section 3 credits are awarded to CPD activities that provide assessment of knowledge of performance. As each hour provides three credits under the "Approved self-assessment and simulation activities (Section 3)” of the Royal College of Physicians and Surgeons of Canada, the workshops carry more value than Section 1 sessions.

Note: It is the participant’s responsibility to submit an application for Section 3 credits to the Royal College and to maintain the record of their participation.
