

Anesthesiologist / Family Physician Anesthetist – Permanent and Locum

Saskatchewan Health Authority (SHA)

The Saskatchewan Health Authority (SHA) is seeking **permanent and locum** team-oriented **Anesthesiologists and Family Physician-Anesthetists** to join our dynamic and growing Department of Anesthesiology. Opportunities are available in Regina, Saskatoon, Prince Albert, Moose Jaw, Swift Current, Estevan, Weyburn, and Melfort.

About our Opportunities

The Department of Anesthesiology has a strong complement of Anesthesiologists and Family Physician-Anesthetists with diverse clinical and academic interests. Successful candidates will join a collaborative team providing comprehensive anesthesiology services to patients across Saskatchewan.

- Elective OR hours: 07:45–16:00
- Holiday scheduling: Operating room capacity is reduced during holiday periods to support improved vacation opportunities
- Call rotation: Based on the site of hire
- **Academic & Teaching Environment** - Physicians have the opportunity to teach undergraduate and post-graduate education at the University of Saskatchewan (Usask). The [University of Saskatchewan, College of Medicine](#) follows a distributed education model, fostering a cohesive, province-wide academic community. This well-resourced framework results in quality community partnerships, successful and consistent student success across sites, improved community health, and better graduate retention in communities.

Compensation & Incentives

- Locums: Up to \$4000/day dependent on location plus travel time and expenses
- Permanent: Contract (up to \$476,405/year) or Fee for Service
- On call stipend (locums and permanent) per the Specialist Emergency Call Program where call is provided
- **Recruitment & Retention Incentive:** Up to **\$200,000** may be available: <https://www.saskdocs.ca/work/specialists/ane/incentive/>
- **Generous relocation package**

Qualifications

Successful candidates will:

- Have Fellowship (or be eligible for Fellowship) with the [Royal College of Physicians and Surgeons of Canada](#) in Anesthesiology or be certified with the [College of Family Physicians of Canada](#) in Anesthesia
- Be eligible for licensure with the [College of Physicians and Surgeons of Saskatchewan](#)
