

URGENT! LOCUM ANESTHESIOLOGIST – QUINTE HEALTH (BELLEVILLE GENERAL HOSPITAL)

Quinte Health – Belleville General Hospital (BGH) is seeking **Locum Anesthesiologists** to support surgical services **beginning January 2026**.

Located in beautiful **Belleville, Ontario**, BGH is a regional centre in **southeastern Ontario**.

Belleville General has a multi-disciplinary team of supports overnight, including in-house Intensivist, Respiratory Therapists, Family and Internal Medicine Hospitals, Emergency Department physicians and a Critical Care Response Team.

The Opportunity

- Busy community hospital (Belleville General Hospital – Quinte Health)
- Emergent surgical cases starting after 4 p.m. Beyond 11 p.m. cover only A cases and obstetrics (epidurals and c-sections)
- Supportive OR nursing and perioperative team
- Shifts begin in January. We're looking for physicians who enjoy a balanced schedule that includes weekday lists along with overnight and weekend shifts. We encourage all interested candidates to connect – we are happy to discuss flexible options and find a fit that works for you and our department
- The call is in hospital. Comfortable call room is available, with possibility of accommodation for someone doing multiple nights of call

Remuneration & Perks

Generous top-up incentive available

Mileage/travel reimbursement may be available

Location Advantage

Belleville is centrally located between **Toronto and Ottawa**, with easy access to **Kingston**. Enjoy your downtime exploring **Prince Edward County** — famous for its **wineries, beaches (Sandbanks Provincial Park)**, art scene, and farm-to-table dining — all just minutes away from the hospital.

Requirements

- CPSO Independent License
- RCPSC certification (Anesthesiology)

Additional opportunities are available for full-time.
