Job Posting

Mackenzie Health

Anesthesiologist, Department of Anesthesia

This is an opportunity to work in a busy GTA hospital in one of the fastest growing communities in Canada

Experience a place where people come first.

As a healthcare leader serving a population of more than half a million people, Mackenzie Health offers a dynamic, supportive environment of respect and continuous learning. A place where all staff are valued, can engage in meaningful work as part of a friendly, diverse team and use best-in-class technology to provide exceptional patient care. Experience a place where people come first. Experience Mackenzie Health – your ultimate career destination.

We have many opportunities for passionate professionals like you, at Cortellucci Vaughan Hospital and Mackenzie Richmond Hill Hospital, who share our commitment to quality, timely patient-centred care. Ultimately, this is where you want to be.

The Department of Anesthesia is seeking a **full-time Anesthesiologist** to service both sites, who would have access to available resources within the Department of Anesthesia for emergency and elective surgery. The successful candidate will be working with a strong, supportive, and collegial team in a two-site community hospital organization committed to providing high quality, comprehensive clinical services.

Mackenzie Health also offers exciting research opportunities through its newly established Office of Clinical Research, fostering innovation and collaboration in clinical care. There will also be unique academic and teaching opportunities for our clinical teams at the York University School of Medicine opening in 2028 located in the Vaughan Healthcare Centre Precinct, directly next to the Cortellucci Vaughan Hospital.

Candidates must have excellent communication and interpersonal skills and willing to work within interdisciplinary teams.

Responsibilities

- Provide elective and emergent anesthetic care.
- Surgical services include general, orthopedic, obstetrics/gynecology, otolaryngology, plastics, urology, vascular, thoracic, dentistry, and endoscopy.
- Provide care to the Consultation Clinic and Acute Pain Management for post-operative patients.

Skills – Abilities – Experience

- Clinical expertise in all aspects of anesthetic care.
- Ability to work both independently and as a team member within a group environment.
- Demonstrates behaviours consistent with Mackenzie Health's Commitment to Caring.
- Models behaviour that is aligned with the values of Mackenzie Health – Excellence, Leadership, Empathy.
- Commitment to providing an exceptional experience for staff and clients within a challenging and exciting health care environment.
- Contributes to patient and staff safety.

Mackenzie Health is an inclusive and equal opportunity employer committed to providing accommodations for applicants upon request at any stage of the recruitment process in accordance with the Accessibility for Ontarians with Disabilities Act (AODA) and the Ontario Human Rights Code.

We thank all applicants for their interest, however, only those under consideration for an interview will be contacted.
