

Mackenzie Health

Our client, Mackenzie Health (MH), consists of two hospitals – the Mackenzie Richmond Hill Hospital and the Cortellucci Vaughan Hospital – each hospital has a full-service emergency department and critical care unit, core services, and specialized services. Their Woman and Child, Inpatient Mental Health and Inpatient Integrated Stroke programs are located at the Cortellucci Vaughan Hospital. An extensive range of outpatient clinics, chronic kidney disease care, complex continuing care and rehabilitation are located at the Mackenzie Richmond Hill Hospital.

Mackenzie Health operates a total of 613 beds: 347 Acute Care; 98 Complex Continuing Care; and 168 Long Term Care beds. With almost 130,000 Emergency visits, 260,000 Ambulatory visits, and 23,000 admissions annually, MH provides excellent care to the local and regional community. The Surgical Program at Mackenzie Health provides 24/7 surgical services through both of their inpatient units and same day surgery in their outpatient clinics. Mackenzie Health is seeking full-time or part-time:

Anesthesiologists

MH's team of 30 Anesthesiologists, 6 Anesthesia Assistants, and 3 OR Respiratory Therapists cover 13 operating rooms, 6 endoscopy rooms, and 1 procedure room. Spanning two acute care sites and delivering a broad range of medical care from preoperative anesthesia assessment to advanced service in numerous perioperative settings, this collegial group supports close to 30,000 surgical procedures each year as well as approximately 3,200 births with growth plans to increase to 4,000+ over the next few years.

Candidates must be certified, or be eligible for certification, by the Royal College of Physicians and Surgeons of Canada and hold, or be eligible for, licensure with the College of Physicians and Surgeons of Ontario.

These full-time or part-time positions offer great flexibility and work/life balance and include a very attractive fee-for-service compensation complete with call stipend.
