

## Anesthesia Recruitment

Location: Ottawa, ON.

Inspired by research. Driven by compassion. Inspiré par la recherche. Guidé par la compassion.

The Ottawa Hospital (TOH) is one of Canada's largest and most respected academic health sciences centres, serving a diverse, multicultural, and multilingual population of over one million people across the National Capital Region and Nunavut. Dedicated to delivering world-class, 21st-century health care, TOH is spearheading the era of digital care and embarking on an exciting journey of modernization and transformation which will culminate in a new campus, one of the largest infrastructure projects ever undertaken in Ottawa.

TOH is seeking to expand its anaesthesia group to ensure the hospital's future success. Every physician at TOH plays a pivotal role in providing compassionate care, prioritizing patient safety, and delivering optimal surgical outcomes. Whether you are an experienced anaesthesiologist looking for new challenges or a recent graduate seeking a supportive environment to kickstart your career and the potential to contribute to an academic centre of excellence, The Ottawa Hospital will foster and support your goals.

As the ideal candidate, you will join a highly respected team of physicians and researchers who contribute and promote TOH's commitment to academic and educational excellence. The opportunity and focus on teaching and supervision of undergraduate and postgraduate trainees, will provide the chance to work with research and education leaders locally and globally to support the creation of a learning health care system.

Passionate, dynamic, and ready to grow, you are an outstanding communicator and clinician who engenders trust and confidence at all levels. Your peers admire your eagerness to learn and contribute to a cohesive team. By naturally fostering a sense of teamwork, collegiality, and collaboration, you embody TOH's core organizational values, which place high regard on the well-being of its employees. Within TOH, every staff member, physician, and volunteer is devoted to delivering unparalleled care, exceptional service, and compassionate support to each patient.

Join TOH in ensuring accountability to high standards that are observable, measurable, and apply to all departments and every role across the hospital. To apply for this position, please visit: For more information, please contact Leslie Feldman at [lfeldman@boyden.com](mailto:lfeldman@boyden.com)

*We thank all applicants for their interest, however only those under consideration for the role will be contacted.*
