

NHS Greater Glasgow and Clyde

Consultant in Anaesthesia (2 posts)

Location: Inverclyde Royal Hospital, Greenock, West Central Scotland, United Kingdom

Salary: £87,534 to £116,313

Relocation package available

Applications are invited for the full-time post of Consultant Anaesthetist based at Inverclyde Royal Hospital in Greenock, West Central Scotland. The posts are suitable for candidates at any stage of their consultant careers.

Successful candidates will have the opportunity to join a small, supportive and friendly department consisting of 10 consultant posts, two middle grade posts and 5 trainees. The successfully appointed candidates, will be part of NHS and academic staff contributing to out of hours duties covering the theatre work and critical care patients. This is non-resident.

The scope of surgical practice at Inverclyde Royal Hospital offers exciting and varied clinical opportunities for consultant anaesthetists and there is continued support for non-clinical professional activities both inside and outside the Board.

The post will appeal to a true generalist who enjoys a hands-on approach to anaesthesia and be able to work flexibly as part of an integrated team and have excellent communication and problem-solving skills. With an active interest in teaching and support the successful candidate will be expected to contribute to departmental quality improvement activity and the clinical supervision and training of our postgraduate trainees in Anaesthesia. NHS Greater Glasgow and Clyde is fully committed to continuing medical education for our consultants.

NHS Greater Glasgow and Clyde encourages applications from all sections of the community. We promote a culture of inclusion across the organisation and are proud of the diverse workforce we have.
