NGH Anesthetists / Anesthesiologists are also responsible for Ventilator Care in the ICU and critical care in the Emergency Department.

NGH is seeking two Anesthetists / Anesthesiologists to join their dynamic group of full-time and part-time Family Physician Anesthetists. There is opportunity for full-time, part-time, or locum positions.

If you are interested in being part of a dynamic and collegial hospital family where you will be inspired and have the opportunity to flourish and grow, this is the opportunity for you.

Family Practice Anesthetists or Anesthesiologists

Candidates must be certified, or eligible for certification, by the College of Family Physicians of Canada with a Certificate of Added Competence in Family Practice Anesthesia or by the Royal College of Physicians and Surgeons of Canada in Anesthesiology and hold, or be eligible for, licensure with the College of Physicians and Surgeons of Ontario. Norfolk County is renowned for its local fresh produce, warm southern climate, outstanding wineries, fishing on Long Point Bay, outdoor activities including 55 kilometres of mountain biking trails, camping, Carolinian forests, and sandy beaches from Port Dover to Long Point.

Very attractive fee-for-service remuneration plus HOCC on-call daily stipend. **Travel and accommodation expenses will be reimbursed for part-time and locum coverage.**
