# THE CANADIAN ANAESTHETISTS' SOCIETY

## NEWS LETTER

VOLUME 2, NO. 1  
APRIL, 1952

# From The Secretary's Office

## ANNUAL MEETING

Arrangements for the Annual Meeting on June 9th and 10th at the Banff Springs Hotel are nearing completion. It is rarely that an opportunity arises to attend a medical meeting in such a setting, and it is hoped that a large proportion of our members will be present.

## COUNCIL MEETING

The annual mid-winter meeting of Council of the Society was held at Toronto on 2 March 52. Members of Council were present from all divisions excepting Prince Edward Island and Newfoundland. Our President, Dr. E. H. Watts, was unable to attend because of illness. The Council, on behalf of the Society, has expressed to Dr. Watts our sympathy in his prolonged illness, and our sincere hope for rapid improvement.

Much time was taken up in discussion of the economic problems in anaesthesia in the various divisions. It is evident that the persistence of the "practice of anaesthesia" by some hospitals is responsible for difficulties experienced in dealing with prepaid medical care plans and insurance companies, and Members of the Society who still remain in the employ of Hospitals which collect fees for their services are reminded that The Canadian Anaesthetists' Society disapproves of this practise.

The Council has recommended that the Annual Meeting in June 1953 should be held at Minaki.
