

Anesthesiologist

Saskatchewan Health Authority (SHA)

Regina, Prince Albert, Moose Jaw, Swift Current & Saskatoon, Saskatchewan

The Saskatchewan Health Authority (SHA) is seeking **team-oriented Anesthesiologists** to join our dynamic and growing **Department of Anesthesiology** across multiple sites in Saskatchewan, including Regina, Prince Albert, Moose Jaw, Swift Current, and Saskatoon.

About the Opportunity

The Department of Anesthesiology has a strong complement of specialist Anesthesiologists with diverse clinical and academic interests. Successful candidates will join a collaborative team providing comprehensive anesthesiology services to patients across Saskatchewan.

- **Elective OR hours:** 07:45–16:00
- **Holiday scheduling:** Operating room capacity is reduced during holiday periods to support improved vacation opportunities
- **Call rotation:** Based on the site of hire (see individual postings for details)

Individual site postings and call details can be found here:

<https://www.saskdocs.ca/work/opportunities/?dt=166170000&st=ad25adc9-0cfc-e011-bf0e-1cc1de79838e>

Academic & Teaching Environment

The Department of Anesthesiology is a **distributed training site** for the **University of Saskatchewan College of Medicine**, where teaching medical students, residents, and other learners is an expected component of the role.

The University of Saskatchewan is a research-intensive institution with:

- 26,000 students
- 6,500 faculty and staff
- A strong reputation for innovation and excellence

The College of Medicine admits approximately 100 students annually and offers a full complement of residency training positions.

Qualifications

The successful candidate will:

- Be a **Fellow (or eligible for Fellowship)** with the Royal College of Physicians and Surgeons of Canada in Anesthesiology
<https://www.royalcollege.ca/en/eligibility-and-exams/exam-eligibility>
- Be **eligible for licensure** with the College of Physicians and Surgeons of Saskatchewan
https://www.cps.sk.ca/imis/web/Applicants/Licensure/Categories_of_Licensure.aspx
- Demonstrate strong teamwork and communication skills
- Function effectively in a high-volume clinical environment
- Be committed to delivering high-quality, patient- and family-centered care

All qualified candidates are encouraged to apply. In accordance with Canadian immigration requirements, preference will be given to Canadian citizens and permanent residents.

Additional Requirements

- A **Criminal Record Check (CRC)** dated within the past six months and satisfactory to SHA
- A **Vulnerable Sector Check** for those providing care to vulnerable populations

Equity, Diversity & Reconciliation

SHA is committed to building a representative, diverse, inclusive, and culturally responsive workforce. We support the **Truth and Reconciliation Calls to Action** and acknowledge Saskatchewan as the traditional territory of First Nations and Métis peoples.

Academic Appointment

Successful applicants will:

- Participate in undergraduate, postgraduate, and continuing medical education

- Be appointed as **Assistant Professors** in the Department of Anesthesiology at the University of Saskatchewan

Compensation & Incentives

- **Start date:** Negotiable
- **Recruitment & Retention Incentive:** Up to **\$200,000** may be available
<https://www.saskdocs.ca/work/specialists/ane/incentive/>
- **Generous relocation package** available

Application Process

Applications will be accepted **until the position is filled**.
