THE OPPORTUNITY

Interior Health is seeking **Anesthesiologists** to join our collegial teams in **Cranbrook**, **Penticton**, **Trail**, and other urban centres across the Southern Interior of beautiful British Columbia. Explore your passions in one of our stunning communities and experience first-hand what makes Interior Health a consistent recipient of the British Columbia Top 100 Employer award. The magnificent array of landscapes that call the interior of the province home include some of the continent's most epic alpine and cross-country skiing networks, world-class golf courses, and award-winning vineyards. Boasting the nation's only semi-arid desert, there are many pristine lakes offering recreation and an escape from the region's warm summer climate. It's better here!

INTERIOR HEALTH

Interior Health provides a wide range of integrated health-care programs and services through hospitals, community health centres, residential assisted living facilities, mental health housing, and other community settings. At Interior Health, we strive to create an environment where you enjoy the work you do, your place of work, and the people around you. Everyone plays an important role in the care continuum. Together, we create great workplaces.
