

## **Specialist Anaesthetist – Northland & Auckland Metro Region – New Zealand**

***Making a difference – it's what you do. But how can we make a difference for you?***

- Would you like more space, and more to do on your days off – or less. In New Zealand, you've got nature at your fingertips, a team you can count on and a warm welcome. We've got it all covered at **Health New Zealand**.
- As well as specific roles across the Auckland metro region and Northland, we have a **number of Anaesthetist roles nationwide**, offering varied lifestyle options and great career growth
- **We offer substantial relocation funding PLUS visa/immigration & registration support and advice.**

### **The opportunities**

#### **Northland Region – Te Tai Tokerau** (The unique winterless north!)

Northland comprises of Whangārei, Kaitaia, Bay of Islands and Dargaville Hospitals. We have a great opportunity for a role which is split between Whangārei and Kaitaia. Whangārei has 8 operating theatres and a procedure room co-located in the operating theatre suite, as well as a 2-room endoscopy suite. It provides the majority of the surgical services for Northland, including a wide range of surgical sub-specialties and all emergency surgery for the region. Kaitaia base is our northernmost general hospital, which has 28-beds and has a general; paediatric and maternity ward. We are looking to expand surgical services to enable equity of access for our rural population, so come and be part of our supportive team in the beautiful winterless North!

#### **Auckland Metro Region** (combining 3 largest hospital facilities in New Zealand)

#### **Waitematā – Auckland Northshore**

We operate over multiple sites at the North Shore campus and at Waitakere Hospital. A wide range of clinical sub specialities are provided (excluding Cardiothoracic, Vascular, Neurosurgery) and additionally an Acute Pain Service, an Anaesthetic Preadmission Service and secondary Obstetric Units in both locations. There are presently 6 Fellows, 13 registrars and 5 SHOs in ANZCA accredited training positions.

## **Te Toka Tumai – Auckland Central**

Te Toka Tumai has three major facilities Auckland City Hospital, Starship Children's Hospital and Greenlane Clinical Centre. Auckland City Hospital is New Zealand's largest public hospital as well as the largest clinical research facility, playing a key role in advancing national and international research.

### Women's Health Anaesthesia – Auckland Central

Part of Te Toka Tumai Auckland, National Women's Health (NWH) is providing care for around 6500 births annually. Labour epidurals feature in over 60% of births, and the caesarean section rate is around 40%. The unit has an established reputation in women's health as a regional and national referral centre for maternal fetal medicine, as well as home to the largest gynaecological oncological cancer centre in New Zealand, providing a regional service to around 2.3 million people.

We encourage all qualified Anaesthetists with genuine interest in Women's Health Anaesthesia to submit your online application.

### Starship Children's Health-Auckland Central

If you are specialised in Paediatrics, then Starship Children's Health could be the perfect place for you. Starship Children's Health is the leading provider of paediatric health care in New Zealand and the South Pacific, delivering child-centred, whanau (family) focused, whānau led care in hospital and the community. Starship provides a wide range of complex medical, surgical and cardiac health services. It aims to lead the nation in paediatric training and research.

We welcome all expressions of interest from experienced Paediatric Anaesthetists.

## **Counties Manukau –Auckland South**

If you love a challenge, and would like to serve our tangata whenua (the original inhabitants of New Zealand) Counties Manukau District could be the perfect opportunity for you. We can offer you the fun of living in New Zealand, working in a supportive and collegiate environment with the challenge of unique and interesting clinical experiences with high acuity patients.

Our organisation spans South Auckland, with a large Maaori and Pasifika population. We are a large teaching hospital with 14 operating theatres + procedures rooms at Middlemore Hospital and a further 10 theatres at the Manukau Surgical Centre. We host the national burns unit, the north island spinal service and support out of theatre anaesthetic services across both sites. We also have a strong acute, complex and chronic pain service.

We welcome all expressions of interest and are keen to hear from anaesthetists with an interest in both adult and paediatric anaesthetics.

## **Our Organisation**

Health New Zealand [Health New Zealand – Te Whatu Ora](#) is the Government organisation that provides publicly-funded universal health care to 5 million Kiwis. We manage all health services provided in New Zealand, including hospital and specialist services, and primary and community care.

We recruit across 19 unique districts within the country, developing and implementing plans based on local needs to improve the health and well-being of our communities.

We are dedicated to building a team that thrives on diversity and inclusion, welcoming individuals from all walks of life and backgrounds. Our commitment is to both representing and ensuring that every voice is heard, and valued, and contributes to our dynamic and inclusive culture.

## **Registration information**

As an ideal candidate, you will either be registered or be eligible for specialist registration with the Medical Council of New Zealand. For more information about the registration process and source verification of qualifications, please visit [www.mcnz.org.nz](http://www.mcnz.org.nz).

## **Helping you make the move**

Our Candidate Support Team provides one-to-one personalised support throughout your journey to your new home in New Zealand. This includes help with visas/immigration and relocation.

**If you're interested in any of these opportunities across New Zealand, please contact Kavitha John, at [KavithaJ@adhb.govt.nz](mailto:KavithaJ@adhb.govt.nz) for an initial chat, or just hit the apply button to register your interest and we'll be back in touch.**

Please provide your preference of work location/s in your Cover Letter while submitting application.

**Join us in paradise – apply now!**

If you're ready to be part of an innovative, progressive, and passionate organisation while exploring all that our country has to offer, we have the role for you – providing you with the best of both worlds.

Come on over to New Zealand, and **make a difference, somewhere different.**
