All candidates must be eligible for licensure with the College of Physicians and Surgeons of Ontario. Language of work: English. The position start date is negotiable.

### **About Lakeridge Health**

With five hospitals, four emergency departments, three critical care units, a long-term care home, a full range of medical and surgical specialties, more than 20 community health-care locations and a state-of-the-art surgical centre within the Jerry Coughlan Health & Wellness Centre, Lakeridge Health offers some of the broadest and most comprehensive acute care, ambulatory care, and long-term care services in Ontario.

Lakeridge Health is also home to several regional specialty centres and services, including the Central East Regional Cancer Program, R.S. McLaughlin Durham Regional Cancer Centre, The Shoulder Centre, and eye care and chronic kidney disease services. Additionally, we are proud to serve our community with a full suite of inpatient, ambulatory, and community-based mental health and addictions services, and provide safe, high-quality, compassionate care in our state-of-the-art long-term care home, Lakeridge Gardens.

Lakeridge Health is redefining the future of health care through transformative research, dynamic academic partnerships, and groundbreaking clinical trials. With over 140 active studies, we're at the forefront of advancing medical knowledge, expanding treatment options, and improving the lives of our patients. Our one-of-a-kind Queen's-Lakeridge Health MD Family Medicine Program is at the forefront of training the next generation of primary care doctors. Each year, over 3,000 students and trainees are supported by the Lakeridge Health Education and Research Network (LHEARN). Through our innovative collaboration with Ontario Tech University, we're also harnessing the power of Artificial Intelligence to revolutionize patient care. Together with our academic, community, and industry partners, Lakeridge Health is tackling the toughest health challenges and elevating the quality of care for the communities we serve.

Guided by our vision of *One System. Best Health.* and supported by a dedicated team of nearly 9,000 staff, physicians, and volunteers, Lakeridge Health is a proud member of the Durham Ontario Health Team (Durham OHT) and works in collaboration with the Durham OHT, as well as primary care, and community and government partners to foster a truly integrated, regional system of care. Together, we are focused on empowering people to live their best health and fostering an accessible, inclusive, and equitable environment for all.
