- **Additional opportunities across New Zealand for fixed-term and permanent appointments**
- **Easy enquiry process - immigration and relocation support provided**

About the opportunity

Health New Zealand - Te Whatu Ora is the government organisation that provides publicly funded universal healthcare to five million Kiwis. We manage all health services provided in New Zealand, including hospital and specialist services, and primary and community care. Services are delivered across 19 different designated districts of New Zealand.

The new state-of-the-art Manukau Health Park facility, currently under construction, is part of Surgical Services in the Counties Manukau area of Greater Auckland. This opportunity is an expansion of our Anaesthetist team, providing scope to work in a busy and dynamic acute and elective service across two sites: the new and the current. Find a wealth of clinical growth pathways, surrounded by a new lifestyle experience here in New Zealand - where nothing is far from anywhere!

Click 'apply now' to see a more detailed overview of the new facility and wider opportunity.

Whilst the focus of this advertisement is about the exciting new Manukau Health Park facility under construction in Auckland, we also have several other Anaesthesia opportunities across the wider Auckland region and nationally, with a range of clinical and lifestyle settings. From the metro city to the beaches to the mountains, we can meet just about any combination to suit you.

About you/requirements

As with any health position, there are the usual requirements as follows:

- FANZCA (Fellowship Australian and New Zealand College Anaesthetists) or equivalent
- Be vocationally registered or be eligible for vocational registration with the Medical Council of New Zealand - which we can assist with
- Have, or can obtain, the right to work in New Zealand (which we can support via our in-house Immigration Service team)

Next steps?

Being a very people-centred organisation, we'd like to offer you the opportunity to talk in confidence, with our Clinical Head of Anaesthesia who can outline the options and answer any immediate questions.

Make an initial enquiry by contacting Grant via email at grant.davis-calvert@tewhatuora.govt.nz or click 'apply now' to read the more detailed information on the opportunities. You can email Grant at any stage for any queries you may have.

We hope to speak with you soon about this fantastic career and lifestyle change opportunity in New Zealand!
