ACADEMIC STAFF POSITIONS

DEPARTMENT OF ANESTHESIOLOGY, UNIVERSITY OF OTTAWA

The Department of Anesthesiology at The Ottawa Hospital seeks committed academic faculty to join our collaborative practice at the Lecturer, Assistant, or Associate Professor ranks. These positions offer a broad scope of subspecialty interests including obstetric anesthesia, pain medicine, regional, and ambulatory anesthesia. The University of Ottawa has a long history of scholarly excellence in medical education, and specific research interests in education, perioperative and pain medicine. Faculty are expected to contribute to both undergraduate and postgraduate medical education, and will have ample opportunities to take part in both clinical and laboratory research. Candidates will support Departmental clinical teaching and research objectives. Applicants must have either the FRCPC or equivalent examination, have fellowship training in the subspecialty area of interest, and be eligible for licensure with the College of Physicians and Surgeons of Ontario (CPSO). We hire on the basis of merit, and are committed to employment equity. We encourage all candidates to apply; however, Canadian citizens and permanent residents of Canada will be given priority.

Interested applicants should send a Letter of Intent and Curriculum Vitae to: Dr. Colin J.L. McCartney, MBChB PhD FRCA FRCPC, Professor and Chair, Department of Anesthesiology, University of Ottawa, The Ottawa Hospital, 1053 Carling Avenue (B309), Ottawa, ON K1Y 4E9, Canada.
