EXCELLENCE

Nomination and Selection information
Unless otherwise specified, the following applies to all awards:

- Nominations must be made in the form of a written, confidential submission by two Active members (unless otherwise specified) to the CAS President.
- Nominations must contain appropriate supporting documentation including the nominee’s curriculum vitae.
- Nominations will be adjudicated by the CAS Executive Committee.
- Recommendations from the Executive Committee will be presented to the Board for approval.
- Members of the Board of the Society are not eligible to receive awards and remain ineligible for the next three years after completing their term.
- All nominees must be living at the time of consideration for the award.
- Each nomination will be held for five years and reviewed annually. At the end of five years, a nomination becomes inactive but may be resubmitted as a new nomination.
- Each award may not be awarded every year.

Gold Medal Award
The Gold Medal is the highest award of the Canadian Anesthesiologists’ Society. It is a personal award consisting of an inscribed medal given in recognition of excellence in matters related to anesthesia.

Eligibility
The medal may be awarded to any individual, ordinarily a Canadian:
- who has made a significant contribution to anesthesia in Canada through teaching, research, professional practice, or related administration and personal leadership;
- who may be active or retired.

Nomination and Selection
Refer to the “Nomination and Selection” information.

Research Recognition Award
The Research Recognition Award will be presented by the Canadian Anesthesiologists’ Society to honour a senior investigator who has made major contributions to anesthesia research in Canada.

Nomination and Selection
- Nominations, consisting of letters from at least three sponsors, plus one copy of the current curriculum vitae of the nominee must be submitted by the deadline to the attention of the Chair of the CAS Research Advisory Committee.
- Nominations will be referred to the Research Advisory Committee for consideration.

Clinical Teacher Award

To recognize excellence in the teaching of clinical anesthesia.

Eligibility

The award will be made to a member of the CAS who has made a significant contribution to the teaching of anesthesia in Canada.

Nomination and Selection

Refer to the “Nomination and Selection” information.

Clinical Practitioner Award

To recognize excellence in clinical anesthesia practice.

Eligibility

The award will be given to a member of the CAS who has made a significant contribution to the practice of clinical anesthesia in Canada.

Nomination and Selection

Refer to the “Nomination and Selection” information.

Emeritus Membership Award

To recognize individuals retired from clinical practice who during their careers made a significant contribution to anesthesia.

Eligibility

The recipient will be a current member of the CAS in any category who has been a member of the Society for 25 years or more.

Nomination and Selection

• This nomination must also include letters of support submitted by the division.
• Each nomination will be held indefinitely.
• Refer to the “Nomination and Selection” information for further details.

John Bradley Young Educator Award

To recognize excellence and effectiveness in education in anesthesia.

Eligibility

The award will be given to an Active member of the CAS in the first 10 years of practice who has made significant contributions to the education of students and residents in anesthesia in Canada.

Nomination and Selection

Refer to the “Nomination and Selection” information.

Medical Student Prize

To increase awareness among undergraduate medical students of the specialty of anesthesia and the role of anesthesiologists in healthcare. A first, second and third prize will be awarded.

Eligibility

Full-time medical students in any Canadian medical school.

Format

• Electronic written submissions of 1000 to 1500 words in Microsoft Word format only.
• Topics related to anesthesia preferred. Alternatives can be discussed with your local undergraduate education director.
• Anesthesia undergraduate education directors at each university oversee the submission process and assist with topic selection.

Selection Process

After an initial review process at each university, a maximum of three essays may be forwarded to the national review committee.

For further information

Please contact the anesthesia department in your university for deadlines and local submission information.

A final decision will be made in April 2018.
